Several years ago Larry Stack was kind enough to send me a set of the photographs of all the coins in the Brobston fixed price sale, which they handled in the 1950's. The quality of the photographs was not outstanding, but clearly adequate to identify coins in our collection and elsewhere which came from the Brobston collection. The copies we recently had made came from those photographs. They should be a valuable addition to our file of half cent material.

A handwritten signature in dark ink, appearing to read 'R. Tettenhorst', with a stylized, cursive script.
